Reminder for 2024

The Florida Park Service initiated new policies regarding black powder weapons and other weapons used during event programming in 2011.

- ❖ When volunteering for reenactment scenarios in which black powder replica weaponry and/or replica artillery is expected to be present. Persons with felony convictions are prohibited by law from the constructive possession of firearms and may not reenact at any Florida State Park.
- ❖ Volunteering involves interactions with the public, including people of all ages. Persons that have committed any offense for which they are prohibited from interactions with people of all ages may not reenact at any Florida State Park.
- ❖ Only reenactors 16 and older may handle black powder weapons. **Everyone** is required to show proof of age at registration before you can be issued a registration card – please remember to bring your id.
- ❖ **The notarized minor permission slip is now required for all minors participating in activities at the park, even if a parent is present.**
- ❖ Only FFg (2F) black powder will be used for small arms and 1F or CG for artillery according to the table of maximum loads located in the Reenactors Guide. NO Pyrodex. NO FFFg (3F) or FFFFg (4F) powder will be used except by artillery units for priming.
- ❖ Each person handling a black powder weapon is required to complete a brief training – training will be conducted during weapons inspection and you will be provided special handouts at registration to help us accomplish this directive.
- ❖ All cartridge boxes must be lined with metal tins or have wood blocks.
- ❖ A donation of \$10.00 per person is suggested to assist the CSO in ensuring the Olustee Battle Reenactment continues. Resources supplied by the Olustee Battlefield CSO include: portable toilets, bedding hay, firewood, bus transportation, dance bands, event marketing, tent rentals, sound equipment, modern camping management, ladies social supplies and speaker, bleachers, pyrotechnician and supplies and many other expenses. The donation is suggested of each reenactor dressed in period dress and each guest accompanying that reenactor over the age of 6. Donation can be made at registration. Exact change is **required**.
- ❖ The Skirmish scheduled for Saturday is at **1:30 p.m.** Please check your Reenactor Schedule for other schedule changes in 2024

Please be patient and consider that this is still one of the few actual battle sites you are still able to participate on.

You are welcome to exit through the rear gate before 5 p.m. on Sunday.
- ❖ Campers will not be admitted to the Modern or Authentic Camping areas until they have registered for the event.
- ❖ Camping at Olustee Battlefield is primitive in nature. Those in need of a generator must camp in the area designated in **Special Needs section of the** Modern Camping for generator use.

Educational Activities

- ❖ Reenactors are asked to have either a 10-minute living history presentation developed for school groups visiting the Olustee Battlefield on Friday, or to assist as a guide for school groups.
- ❖ Please contact the park about participating in these activities at 386-397-7009.
